

## Grace Court Care Centre

Grace Court Care Centre is a purpose-built care centre providing accommodation for 30 residents. The Care Centre is located one mile from St Helens town centre just off Prescott Road (A58) and adjacent to Morrisons supermarket. The local bus stop is located outside and secure parking is provided to the rear.

The Care Centre is split into three units, Ash, Willow and Rowan, providing 10 beds on each unit. Each unit provides innovative and flexible ways of caring for individuals who require varying levels of nursing care

The facility provides comfortable adjust levels of care depending on fluctuating conditions of our service users.

**Willow Unit** is a 10 bedded unit which provides a specialised service for people who are Deaf/deafened, Deaf/blind. Recognising the importance of good communication, all our staff are trained in BSL whereby identifying the ultimate prominence of communication in delivering a person centred approach.

It is essential we listen and act on the experience and views of residents, families and their representatives, whereby we implement a positive view of diversity, respect and individuality of all residents. Dignity and privacy are the foundation of all our practice. We provide a range of approaches meeting a person centred need

Grace Court Care Centre provides spacious accommodation for people who require varying levels of EMI nursing care. Within these units the accommodation comprises of lounges both providing access to our dementia garden which provides secure, calming and a tranquil environment.

**Rowan Unit** is a 10 bedded unit that provides spacious accommodation for residents that suffer organic dementia. The unit benefits from its own lounge and kitchenette and has access to the dementia garden via the patio door off the lounge area.

Willow and Rowan units have a separate dining room which overlooks the dementia garden and has access via bi-folding doors which, in the summer, enhances the secure living experience.

**Ash Unit** provides a 10 bedded, secure accommodation along with a separate garden area. Within Ash unit there is a separate lounge/dining room. It also comprises accommodation for residents who suffer dementia but have more challenging needs. The physical environment is designed to assist those residents who have challenging behaviour as a result of their dementia.

We provide all our staff with ongoing training which allows each staff member to understand the needs of each resident and enhance their knowledge of dementia.

Key Healthcare works closely with other health agencies ensuring each resident's interest is considered throughout their stay at Grace Court Care Centre. The cornerstone of Key Healthcare's philosophy is that we can always improve and strive for excellence. This has been achieved as all of our Homes as a group are fully compliant with CQC and Local Authority.

### **Caring for your comfort and wellbeing**

At Grace Court Care Centre we aim to look after not just your health, but your whole wellbeing. We arrange regular visits from hairstylists and other professionals such as opticians when needed and you are welcome to keep your own Doctor or Dentist when convenient.

### **A welcome environment**

When you feel like socialising there are three spacious lounges to relax in, each with a television. Our lawns and patio are ideal for taking in the sun or enjoying a visit with your family and friends.

We regularly plan social activities for you to enjoy, including in-house entertainments and special celebrations at Christmas, Easter and Halloween. We also arrange day trips and outings to local attractions and beyond. Of course, it is up to you how much you get involved. You may prefer to read quietly in your room or pursue your own hobby and we fully respect your privacy.

Your religious beliefs are also important to us. You can visit your local place of worship where possible and if you wish, we will be delighted to arrange for your local Minister to visit you.

### **A professional and caring team**

Led by the Home Manager, our professional team includes qualified Nurses who are on duty around the clock, Carers, Chefs, Housekeepers and Maintenance staff. Through our ongoing training programme, all staff are encouraged to develop their professional skills to keep them up-to-date with the care and support they give.
